## EXPERIENCE

- 2020 **JUNIOR PRODUCT DESIGNER @ RAKUTEN FRANCE**  
Now *Paris, 6 months*
- Designed the next generation of UI and flows for desktop, mobile and app with technical constraints. Customer service, cachback, second-hand sales. Developed and expanded the new Design System.
- 2018 **UI/UX DESIGNER @ CATCH DIGITAL**  
*London, 4 months*
- Designed UI and UX for international clients such as The Bodyshop, Vistaprint, SES. Led two projects on my own, from concept to realisation.
- 2017 **VISUAL DESIGNER @ SMART IMPACT**  
*Nantes, 2 months*
- Took part in the conception and creation of several design projects such as tourism websites. Participated in a tender process and succeeded.
